# Talent Questions

1. What does your talent problem look like? What are your top three issues?
2. Which of these issues can we partner to solve?

*Each question will appear separately in the app.*

# Supply Chain Questions

1. Where do you see gaps in life science contract service? Your inputs and outputs?
2. What area should the cluster work on first?

*Each question will appear separately in the app.*

# Fireside Chat Questions

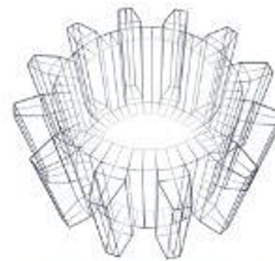

1. What do you want us to do in creating a life science industry/entrepreneurship hub?
2. Who do you partner with regionally that we should meet?

 *Each question will appear separately in*
